Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

## William Shakespeare

Henry V

After the turmoil and uncertainty of Henry IV a new era appears to dawn for England with the accession of the eponymous Henry V. In this sunny pageant, the Chorus guides us along Henry's glittering carpet ride of success as the new king completes his transformation from rebellious wastrel to a truly regal potentate. Of course, there is an underlying feeling that the good times won't last, and this is all the more reason to enjoy the Indian summer before the protracted and bitter fall of the house of Lancaster.
